VOUCHER HOLDER'S RENTAL INQUIRY LOG

This form is for you to fill out each time you inquire about a rental unit. It will serve several purposes for our agency. It will assist us in finding out what kinds of problems, if any, you experience trying to locate a unit. It will also be used in a rent survey to compare with the Fair Market Rents, as published by HUD. Most importantly, it will document your efforts and will justify your request for additional time to find suitable housing. A minimum of 30 names will be required. Please turn in this form along with a written request for a voucher extension. Please refer to your voucher for the expiration date. GOOD LUCK!
